

Department of Workforce Services

## Business Services

Business Services employees are committed to connecting business with solutions. Whether you are looking for employees, want to improve your workplace or face the possibility of a layoff, we can help.

### Recruiting Solutions

If you are recruiting one or one-hundred employees, we can help with:

- Posting current job openings
- Resume or application collection
- Affirmative Action recruitment assistance
- Use of our offices for interviewing and training
- Mass recruitment assistance or specialized job fairs

### Information Solutions

Our professional Business Consultants and Economists can provide you with information on:

- Occupational wages to ensure your company stays competitive
- Industry-specific labor market information

- On-line economic publications and services

### Rightsizing Solutions

If you're facing a possible layoff, call our team first so we can provide:

- Professional consultation on possible alternatives to save your company time and money
- Economic information which may help deter a layoff
- Workshops for affected workers should a layoff be the only answer

### Brokering Solutions

Our Business Consultants can be your resource for:

- Upcoming seminars and workshops on employment-law and other issues
- Networking linkage to local business groups, Employer Committees and Chambers
- Linking to educational partners responsible for preparing students for your job
- Creative solutions to business challenges
